

WHERE TO BUY CHINESE LANGUAGE BOOKS

Amazon.com or Amazon.co.uk

SEARCH TIP: Input the author's name in pinyin spelling, eg Jia Pingwa. The Chinese book name will sometimes come up transcribed in pinyin; or sometimes it will be translated, but will say in brackets (*in Chinese*)

Sino-Media USA, for Mainland China books. Email Mr. Wang at wangt@sinomediausa.com

YesAsia.com, based in Hong Kong. (TIP: spell author's name as three words, eg spell JIA Pingwa as Jia Ping Wa.) A bilingual site where Chinese book results show up on its English as well as Chinese pages.

Eslite Bookstore: www.eslite.com/. Taiwan. Website in Chinese only.

Grassroots Book Room (grassrootsbookroom@yahoo.com.sg) and **City Book Room** (citybookroom@gmail.com). Singapore. See also their Facebook pages (no website). They're happy to e-mail in English, so that's probably the best option for US librarians who don't speak Chinese.
